JUMP ROPE FOR HEART

This year's "Jump Rope for Heart" was a huge success! We had 207 students participate in collecting money for the American Heart Association. Those 207 students raised \$5515.02! Our kids did an outstanding job and should be very proud of what they accomplished.

Jonah Teeter from Ms. Gredell's class was our top fundraiser. Jonah raised \$200.00!

School Reconfiguration

We are excited to announce the new names for the elementary buildings!

- E1-Schofield Elementary
- E2-McCulloch Elementary
- E3-Lyon Elementary
- E4-Price Elementary

See the school website for more information on each of these individual's accomplishments.

There is a new feature on the Republic School District website that will be helpful to all parents. The link will allow parents to type in their home address and you will be able to see what school your child will attend in the 2010-2011 school year. Go to the school website at www.republicschools.org, click on "New Elementary Boundaries" in orange print. Then you may click on "Link to New School Lookup Page" and enter your home address.

Tiger Time

Tiger Time assemblies recognize students and classes that demonstrate outstanding character. Classes will give performances in the assembly. Due to limitations in space, we can only invite parents to attend Tiger Time when their child's class performs. Please see the following schedule for this month:

May 7th

Ms. Gredell's & Ms. Green's Classes

May 14th

Ms. Kreher's Class

Staff Appreciation Week

May 3rd through May 7th

This is a wonderful opportunity to show your child's teacher how much he/she means to you and your student! Don't forget the teachers of special subjects such as art, music, P.E. and the librarian. A fresh flower or a homemade card would be wonderful!

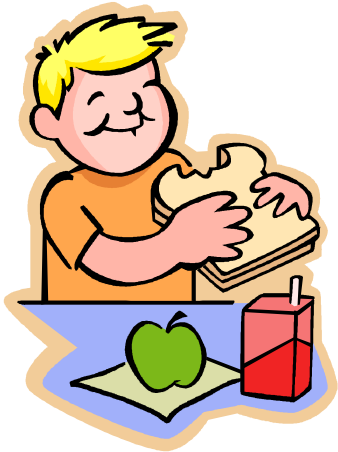

Word of the Month

Dependable

Dependable: To be consistent in your actions and behavior, and to be steadfast in doing what is needed or expected of you.

No Breakfast/Lunch Charges After May 1st

The Republic School District does not allow any negative balance to be charged after May 1st. If your child has a negative balance, they will be given a coupon to eat a free "Tiger Lunch" which consists of a peanut butter/jelly sandwich and milk. They will continue to eat a free "Tiger Lunch" until their balance has been paid. You may call the office at any time to inquire about your child's meal balance or call Food Service at 735-3753.

WOULD YOU LIKE TO EXPAND YOUR CHILD'S MUSICAL HORIZONS?

If so, you might consider having your child audition to be in Children's Choirs of Southwest Missouri. These are age leveled choirs which rehearse once a week in Springfield. Throughout the year, they present high quality performances for family and friends. They are led by highly qualified and trained music educators.

If you are interested in your child auditioning and would like a packet of information, please e-mail me at the following address, and I will send one home with your student. becky.fenton@republicschools.org I would be more than happy to help prepare them for their audition. I have everything they need for it. For more information on CCSWM, go to this link MissouriChildrenSing.com
THANK YOU!

Mrs. Fenton

The Entire Staff of Republic E-1 would like to wish everyone a safe and happy summer!!! Our first day of school next year is August 18th, see you then!
