

Helping our own...

Republic is known for extending a helping hand to those in our community who are in need. Over the last few months members of our school family have experienced hardship. Unfortunately, we have another name to add to the list.

Aubrey Thrasher, incoming 4th grader at Price Elementary, was recently diagnosed with a brain tumor. She underwent brain surgery to remove the growth in early June, and is awaiting official news on the status of the tumor along with treatment plan details.

Just as they have done with the other individuals who are going through difficult times, the Crackerjack Shack has created a t-shirt fundraiser to assist with costs relative to Aubrey's condition. A picture of the shirt is below. You can purchase your shirt(s) at <http://www.crackerjackshack.com/aubrey-force-is-with-you-tees/>.

Monday, June 19 at 9:00 a.m. is the closing date!

This is purely informational, but we wanted to provide the opportunity and information to our community to participate as you feel appropriate for your family.
