Sydney Health App

It's easy. Everything you need to know about your Anthem benefits — all in one place. It's simple, personal and all about you.

The Sydney Health mobile app is a quick and convenient way to:

**Check claims**
See what’s covered and what you owe.

**Find a doctor**
Look for doctors in your plan.

**Estimate costs**
Compare costs and quality for common procedures.

**Get discounts**
Save on health-related products and services.

**Get your ID card**
Share, fax or email your ID card right from your device.

And when you’re not feeling well:

**Assess your symptoms**
Start with the Symptom Checker and answer a few questions about how you are feeling. You’ll receive information and advice tailored to your gender, age, and medical history. The Symptom Checker was built with doctors and medical professionals. It intuitively uses the information you provide to narrow down millions of medical data points and assess your specific symptoms before you even see a doctor.

**Connect with a doctor**
The app can connect you to a board-certified doctor through a Virtual Text Visit or Video Visit right from your phone or tablet.

Virtual Text Visits offer the convenience and privacy of texting with a qualified doctor anytime, anywhere. Through a Virtual Video Visit, the doctor will be able to see what you’re experiencing and diagnose your symptoms. They can talk about your treatment options and order prescriptions and labs, as needed. They can also let you know whether you need an in-person visit as a next step.

**Save money**
The Sydney Health Symptom Checker and 24/7 Nurse Line are free. Virtual Text and Virtual Primary Care Visits: $0 PPO $39 HDHP. Virtual Video Visits through LiveHealth Online, including urgent and behavioral health care are: $59 for HDHP or PCP copay on PPO plans and are available 24/7.
