Sheryl Blankenship, CO
Josey McPhail, CO
Matt Pearce, CO
Chance Wistrom, CO

Members of the District Technology Committee will act as liaisons for their respective buildings and will serve in the following roles:

- Communicate technology information promptly to building staff when you receive email from IT.
- Assist with training building staff on using technology as requested.
- Attend events involving technology, when requested by sponsors.
- Attend all Technology Committee meetings.
- Assist with end of year technology takedown.
- Assist with start of year technology setup.
- Stockpile technology spares for dispersal to site staff.
- Assist building principals with technology matters as needed.
- Trial technologies when asked to do so by IT or Curriculum, Instruction, and Assessment departments.
- Monitor site technical support requests in Help Desk and assist when possible.
- Assist vendors when on site with directions to locations of technology or staff needing service.
