Lost and Found Grief Center
Lost and Found provides help, hope, and healing through professional grief support services. Lost and Found Grief Center works with the bereaved to provide education and support as they travel their journey of grief to find a new normal as they face life without their deceased loved one.
(417) 865-9998
1555 S. Glenstone Ave.
Springfield, MO 65804
https://lostandfoundozarks.com/
Offers 2 services, individual counseling and groups. Individual is private pay, about $70 per 50 minute session and no insurance is billed. They also do a sliding scale, which an application has to be completed to determine this. There are no fees for groups. The groups meet twice per month at 90 minutes each time. After you call or fill out your info on the website, they will do an intake with you and gather all information. Then, they will determine what group is the best fit for you and/or your family. For kids, there is an orientation that includes a tour, which occurs before the 1st group so that it takes away worry and uncertainties about being there. Adult children (over 18) have to call on their own.
**SUMMER HOURS**

They provide the typical intake and orientation. But, they don’t provide groups. There are 2 grief “camps” that are available and are 2 ½ hours long each day. There are 2 days in June and 2 days in July on 6/14-6/15 and 7/26-7/27. The middle school and teens meet the first days month and the younger kids meet on the 2nd days.
