## How to observe additional children at the MS or HS

---

When you first create an account in Canvas, one child is linked to your Canvas account. To add additional children in grades 6-12:

1. Sign in to your Canvas account,
2. Click **Account** (located at the top left sidebar if logged in via a web browser),
3. Select **Settings** then at the bottom of the same menu, select **Observing**,
4. Enter the student email address and 8-digit student password and click **Add Student** (not pictured below).
