

GIVE THANKS

A Many years ago, as we're sure you know, when the pilgrims landed that day,
As they reached the sand and they stepped on land, you could surely hear them say;

B Give thanks (*give thanks*), give thanks (*give thanks*)
for the **blessings** that we share.
Give thanks, (*give thanks*), give thanks (*give thanks*)
for the **beauty** everywhere.”

A1 Many years ago, as we're sure you know, when the pilgrims landed on shore,
They gave thanks that day, each in their own way, with so much to be thankful for.

B “Give thanks (*give thanks*), give thanks (*give thanks*)
for the **blessings** that we share.
Give thanks, (*give thanks*), give thanks (*give thanks*)
for the **beauty** everywhere.”

B “Give thanks (*give thanks*), give thanks (*give thanks*)
for the **blessings** that we share.
Give thanks, (*give thanks*), give thanks (*give thanks*)
for the **beauty** everywhere.”
